ABOUT THE COMPANY

The AF Creative Enterprise has been established in 2019 and fully-owned by Bumiputera company with expertise of wainscoting, custom cabinet and interior design, for residential and commercial areas.

It uses the highest quality veneers and engineered wood materials to deliver a product of impeccable beauty and lasting quality.

Our wood panel systems offer modularity, simplicity, and ease of assembly, and reduce the cost of an installation to a fraction of that for a custom system.

" Committed to providing the best of the best of designs."

OUR VISION

Becoming a leading interior design company in quality of products and services
