

**POSITION:** Video/Content Creation Internship

**LOCATION:** Kuala Lumpur

**START DATE:** ASAP

**SALARY:** Competitive

**HOURS:** Part-time

**Want to build your creative portfolio working for a fast-paced startup? Now is your chance!**

We're looking for the most talented video creators in Kuala Lumpur to join our fast growing team. You'll be creating awesome videos for our Social Media Pages to boost our brand awareness. We're looking for highly motivated, self-starters who are effective independent contributors. We need a versatile individual who is able to turn their hands to a range of great content.

As part of our team, you will play an active role in growing our community and our marketing strategy. We will give you entrepreneurial freedom, responsibility and flexibility. This is an incredible opportunity for young creators to boost their portfolio and CV, learn from some of the most exciting minds in the city and have a lot of fun along the way.

**Role:**

- Video Shooting and Video Editing
- Content Creation for our Social Media
- Contribute to the marketing strategy to boost brand awareness
- Generate new ideas for boosting our following

**What we expect from you...**

- Amazing video skills
- Highly creative
- Strong interest in Social Media
- Attention for detail and an eye for good design and aesthetics
- Able to commit at least 10-hours a week on average (remote)
- Preferred that you have your own equipment (camera/editing software/lighting) but not essential
- Resourceful in overcoming obstacles
- Naturally curious and thirsty to learn

**Why you should work with us...**

- Get ahead of your competition and build your portfolio/CV to boost your career
- Learn about, business, startups and how your skills can fit in
- Work in a Y Combinator backed startup with top talents in business and computer science from Stanford, Harvard, Google, Rakuten, DeliveryHero, Rocket Internet etc.
- Potential to land a full-time job
- Exposure to a very international working environment, a total of 16 nationalities from 5 continents work together here
- We empower you and expect from you to have significant impact.
- Have a load of fun

## Who are we?

**dahmakan** is one of the fastest growing **food tech** startups in Southeast Asia. We make food delivery an everyday choice by delivering **chef-made** meals below restaurant prices at the push of a button. Funded by **Y Combinator** and leading tech investors from Silicon Valley, Europe and Asia, we're conquering a trillion dollar market in the most exciting region of the world.

## How to apply...

We want to see what you can do! We don't care who you've worked for or what you got in your exams... we want to see how creative, talented and skilled you are in making amazing videos. If you haven't got a portfolio, make one! We need to see your talent.

We're looking to create some videos like this:

<https://www.youtube.com/watch?v=j2OqUdNJEbY>

<https://www.youtube.com/watch?v=VEEF2EonZJc>

<https://www.youtube.com/watch?v=YUFn7MZ4RAM>

**BUT**...any type of video application is welcomed. We just want to see how creative and talented you are.

Step 1: Upload your videos to YouTube

Step 2: Send a link to [harry@dahmakan.com](mailto:harry@dahmakan.com)

Step 3: Subject the e-mail 'Content Creator Application'

Step 4: Answer the following questions in the email:

1. Why should we hire you?
2. What makes you different?
3. Do you own a camera? If so which?
4. What editing software do you use?
5. Do you have any other cool equipment we could use?
6. Are you at Uni or do you work? If so where?

**When should you apply?** Now... we will be hiring on a rolling basis so get your applications in as soon as possible.
