

FRANKLIN TEMPLETON

Franklin Templeton is a leading global investment management organization due to the efforts of our greatest assets - our employees. We have over 9,000 employees working in 60 offices around the world, servicing investment solutions for our clients in more than 150 countries. We believe in our corporate values of putting clients first, building relationships, achieving quality results, and working with integrity. Our people are dedicated to delivering strong results and exceptional service to clients, team members and business partners. For over 70 years, our success has been a direct result of the talent, skills and persistence of our people.

We are looking for an **Intern** to join the Fixed Income team based in Kuala Lumpur, Malaysia. This role will provide support in terms of credit research for Malaysia bond and sukuk issuances and at the same time provide limited support for operational matters. The Intern will spend time helping Senior Credit Analysts developing models for bond and sukuk markets. The Internship will last for 3 months starting 1 October 2019.

What are the ongoing responsibilities of this position?

- To support credit research of bond and sukuk issuances
- To conduct general research on topics given by Fixed Income Team
- To assist in operational and administrative matters of Fixed Income Team

What qualifications, skills and experience would help someone to be successful?

- Final year University students or graduates looking for internship
- Keen interest in developing a career in financial services
- Strong verbal and written communication as well as presentation skills
- Solid analytical skills and attention to detail
- Eagerness to learn and a desire to be a team player
- Proficient computer skills
- Ability to prove research capabilities will be an added advantage

What makes Franklin Templeton Investments unique?
