

Ahead together for a brighter future

We're uniting science, technology and talent to get ahead of disease together.

Are you an undergraduate looking to take on an internship with genuine impact?

We are a global biopharma company with a special purpose – to unite science, technology and talent to get ahead of disease together. We are proud of the culture that is ambitious for patients, where we are all accountable for our impact and supported to succeed and where we do the right thing.

Take on a GSK internship and work on challenging, serious live projects or assignments. We get the benefit of your new perspectives and fresh thinking. You get to learn from us, develop your skills and gain valuable experience for wherever the future takes you.

Join us to get ahead of disease together with our Business Service Centre in Kuala Lumpur, Malaysia!

Undergraduates from Accounting / Business / Economics / Finance / Science are welcome!
